7. Section Representative Report by Deonna Woolard
 - a. Summer AAPT national meeting will be in Washington DC from July 28 –Aug 1, 2018
Our section will have some responsibilities, but they have not been spelled out yet.
 - b. There was some discussion about not holding the winter meeting in the Baltimore/Washington area, as had been suggested for 2010. There are some challenges finding places to hold AAPT National meetings. A major concern is cost.
 - c. Mini-grants are available for sections, for up to \$1000. These can be for joint meetings, hosting workshops, etc.)
 - d. Phys Port (supporting physics teachers with research-based resources) and JTUPP (Joint taskforce on undergraduate physics programs) were discussed.
 - e. There was a discussion about the possibility of holding a joint meeting with other CSAAPT sections, or perhaps with The Mid-Atlantic section of APS.

Meeting adjourned at 3:30PM.
